Subject: Re: Dimock - TechLaw move on 1/18

It is really hard to say. HQ was supposed to be "beginning" to review the AM this weekend, but I have heard no comments yet.

I don't think we should move in the middle of the week, if we don't work the subsequent weekend. So, it sound like the earliest the AM will be signed would be tomorrow. That's if there are no questions from HQ. Not likely. So, with an AM signed on Wed. move on Thursday is not advisable.

So, I guess we push to the next Monday. 1/23?
